## Holywell Primary School

### Behaviour Management Principles

The Governors at Holywell Primary School believe that:

**Holywell Primary School**  
*We are a learning community with the spirit to succeed*

**Our charter**

**Responsibility**  
*We are all responsible for our own learning, our own behaviour and our shared community.*

**Resilience**  
*We never give up, we encourage each other to persevere and to set targets. We aim for 'excellence' in all that we do.*

**Resourceful**  
*We 'learn to learn'. We ask thoughtful questions and we know different ways to solve challenges and overcome obstacles.*

**Reasoning**  
*We can explain our ideas, justify our opinions, and give reasons to our answers. We have the curiosity to find things out.*

**Reflection**  
*We recognise and celebrate our achievements, we learn through our mistakes and we strive to improve.*

**Respect**  
*We show respect to each other's feelings, beliefs, ideas, interests and belongings.*

**Learning Is at the heart of what we do**  
*At Holywell we know it is important to learn how to learn.*  
*We learn how to learn as individuals, in pairs and in collaborative groups.*  
*We develop the skills to think in a systematic and divergent way, to be both analytical and practical.*

- The 6 Rs of the school charter sit at the heart of our behaviour systems; responsibility, resilience, resourcefulness, reasoning, reflection and respect
- Each member of the school community should take responsibility for his or her own conduct
- Each member of the school community is entitled to have his/her voice heard
- Each member of the school community is entitled to feel safe and secure
- There should be explicit rewards for good behaviour and specific sanctions for misconduct
