Monday 14th December 2020

Dear Parents/Carers

Bike ability Level Three Monday 8th February – Friday 12th February 2021

Last year your child passed their Level Two Bike Ability award, so we would like to offer them the opportunity to pass their Level Three award. The course will consist of several sessions throughout the week. The children will be taken out in small groups with a qualified instructor to experience the local roads and traffic features. The children will also develop their understanding of traffic situations and hazard perceptions. On completion of the course the children will receive a level three certificate and badge.

The school have subsidised the cost of the course and therefore require a payment of £10.50 to enable your child to take part. In order for your child to take part on the course **they must have their own helmet and bike**. The bike must be suitable and road worthy for the children to ride.

If you would like your child to take part in the Level Three Bike Ability Scheme please sign the attached slip and return it to your class teacher by Friday 8th January 2021. The full payment of this course must be made by using our School Money Online Payment system by Friday 8th January 2021.

Thank you for your support.

Yours faithfully

Miss Whiting
PE Leader
