Dear Parents/Carers,

## Bike ability Level Two Monday 8<sup>th</sup> February – Friday 12<sup>th</sup> February 2021

Last year your child passed their Level One Bike Ability award, so we would like to offer them the opportunity to pass their Level Two award. The course will consist of 5 sessions over the week with the children starting on the playground and then progressing to the local roads. The children will therefore have the opportunity to consolidate their Level One skills as well as learning new key skills for the road junctions. These activities will be carried out by qualified instructors. On completion of the course the children will receive a level two certificate and badge.

The school have subsidised the cost of the course and therefore require a payment of £8.50 to enable your child to take part. In order for your child to take part on the course **they must have their own helmet and bike**. The bike must be suitable and road worthy for the children to ride.

If you would like your child to take part in the Level Two Bike Ability Scheme please sign the attached slip and return it to your class teacher by Friday 8<sup>th</sup> January 2021. The full payment of this course must be made by using our School Money Online Payment system by Friday 8<sup>th</sup> January 2021.

Thank you for your support.

Yours faithfully

Miss Whiting  
PE Leader
