

School Governance

Role of Governor with Responsibility for Head's Performance Management

Objective:

- Ensure that the Head has appropriate performance objectives in place.
- Ensure that the Head's performance is monitored and appraised.

What to do:

- In conjunction with external advisor (HIP), meet with Head during the autumn term to:
 - appraise performance against objectives for previous year
 - set new objectives for forthcoming year
- Report to Governing Body at end of autumn term on outcome of Head's Performance Management appraisal.
- Hold interim meeting with Head to monitor performance against objectives – recommended timing towards end of spring term or beginning of summer term.
