

Holywell Primary School

Home School Agreement

The Home School Agreement takes into account the Department for Education guidance 2013, but as importantly, the views of the children have helped devise this document. This document should be read in conjunction with the Parent Code of Conduct document.

The following statements reflect the school's ethos;

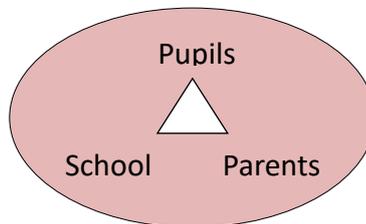

We are a learning community with the spirit to succeed.

Learning is at the heart of what we do.

The school charter (left) reflects the school's values and expectations with regard to children's learning and behaviour.

Holywell School aims to provide an innovative and stimulating curriculum that will engage children and provide them with the opportunities to make progress. We believe in 'lifting the lid' on children's learning ensuring that each child is given the best chance to develop and succeed. By working together this can be achieved.

Holywell School has a;

- school uniform that helps create a sense of belonging,
- strong stance on attendance and punctuality that ensures children have the maximum amount of learning time,
- commitment to providing learning which takes place outside of school and therefore the school encourages all parents/carers to give permission for school trips and activities
- home learning policy, including daily reading and daily number practice, which we hope parents/carers will support by finding time and space at home for the children's home learning,
- 'open door' policy where we ensure that there are both formal and informal opportunities for conversations between teachers and parents/carers.

By signing here you agree to support the school in the principals as set out above.
