

## School Governance

### Role of Governor with Responsibility for Health & Safety & Security

#### Objective:

- Ensure that we have the appropriate health and safety and security policies and procedures in place.
- Ensure that the school is regularly inspected to identify any health and safety and security issues.
- Ensure that we take appropriate action to deal with any health and safety and security issues.

#### What to do:

- Monitor status of relevant school policies and procedures and work with school link to bring recommended proposals to Governing Body for approval when due for review:
  - CCTV
  - Health and Safety Policy
  - First Aid
- Undertake school inspection once a term in conjunction with Site Manager and/or Headteacher.
- Monitor planning and implementation of actions to deal with health and safety and security issues.
- Report any health and safety and security concerns to the Governing Body.
