Dear Parents/Carers

It has been a strange academic year for everyone, one we will remember for a long time. I really can't go far enough to thank the staff of Holywell Primary School for the absolute determination and resilience during this time. They have been tested like never before and have come out the other end absolute heroes. As we close the school year we also think about reopening for September. A letter was sent today to parents with information about opening in September. We will issue our updated reopening guidance before September to all parents.

As often happens at this time of year, we have a number of teachers who will be departing from the school today.

I would like to thank them for their hard work at Holywell Primary School and the commitment that they have shown to our pupils. The staff departing us are:

- Mr O'Brien who is taking up a Headship at Charter Junior School. I would like to wish him the best of luck in his new role as Headteacher.
- Mrs Bancroft Prescott is also leaving for promotion, she will be taking up the position of SENCO at a nearby school.
- Miss Rogers who is leaving us to take up a teaching position abroad.
- Mrs Roberts was a student teacher here this past year and will be taking up her first teaching post.
- Mrs Clarke recently returned from maternity leave is taking some time out to look after her family.

I wish them all the best of luck in their new roles.

I would like to make parents aware that all pupils are expected back to school from September 2020. Parents must be mindful that if they choose to go abroad to certain countries they will need to self-isolate on return for 2 weeks. Parents are reminded to check with the relevant authorities as their absences will count against them from September and they could receive the usual fines or court prosecution for unauthorised absences.

I would like to wish everyone a restful summer break and I look forward to welcome everyone back in September with some kind of normality.

During the summer holidays Edenred vouchers will be issued each Monday to children entitled to Free School Meals. Please ensure your email address is up to date.

Year 4 - Mulberry

This week in nursery we have been learning about how to be a good friend and how we can make new friends when we start Reception in September.

We have made friendship chains to show who are our friends.

Ismaeel - Year 5 Elder

Swinged across bravely and quietly walked forth
Then thought why it was so rapid. Her tummy was
a rumbling beast to eat. She found herself a berry
tree then she started climbing it as it was really tall.
Mars fell and bumped her head on a hard pointy
rock, she tried and tried, At last she pulled a bunch
of rocks and quickly grabbed the berries whilst the rocks
were tumbling down.

lightning BOOMED with a fierce roar and started
to slowly drip drizzles of rain that danced on the
floor.

She found a temple and went inside and found
an amulet and grabbed it and swiftly came
back to the tree and gave it the amulet then
the old tree turned back into a woman.
