Dear Parents/Carers

Year 5 – The SW Herts Schools Consortium

We would like to remind parents with children in Year 5, today is the last day you are able to apply for your child to sit the admission test. **No late registrations will be accepted.**

Welcome to
South West Herts
Schools Consortium

YEAR 5

The SW Herts Schools Consortium comprises the seven secondary schools in the area which operate admission tests for a proportion of their intake:

Croxley Danes, Parmiter's, Queens', Rickmansworth, St Clement Danes, Watford Grammar Schools for Boys and Watford Grammar School for Girls.

If parents of children in Year 5 are considering applying under the academic or music criteria for a place at any of these schools, they will need to register with the Consortium.

Nursery and Reception – September 2021 – Places Available

We still have vacancies for pupils due to start Nursery and Reception from September 2021.

Nursery	Children born between 1st September 2015 and 31st August 2016
Reception	Children born between 1st September 2016 and 31st August 2017

Please contact the school office to find out how to apply. We kindly ask you to recommend us to parents that you know whose children fit into the above age categories.

End of Year Events

We were hoping to be able to invite parents into school for our usual end of year events. This included Sports Day, Parents Evening, Year 6 End of Year production and End of Year assemblies. But as a result of the delayed reopening of venues and no changes to schools around social distancing, I have taken the decision to keep the current measures in place until the end of the academic year. The means -

- We keep our current social distancing measures in school as they are
- Parents will only be allowed into school in exceptional circumstances and with a pre booked appointment
- We will continue to closely monitor the visitors coming into school, impressing upon them our social distancing protocols.

To give parents the opportunity to be part of these events we will post photos on twitter and either make recordings available or live stream through Google Classroom.

I appreciate this is difficult for parents, but with the increasing number of cases of Coronavirus we need to ensure we keep ourselves safe. To date, a number of schools have had to close completely or self-isolate large numbers of their school community. We want to avoid this happening to us as the knock on effect impacts on the life of everyone.

Year 1 and Year 2 Collection

From Monday 21st June 2021 we are changing the way Year 1 and Year 2 are collected at the end of the day. We find the current situation is not the safest because many pupils walk between the adults and teachers, we need more control of the handover. Also, on occasions parents want to speak to their child's teacher.

To remedy this, we ask that parents walk a bit further into the playground, and collect their children from the bottom of the path below the classes. Teachers will then send the children down to their parents. Parents who need to speak to the teacher are asked to wait behind; once all the class has been dismissed, teachers will walk down the path and speak to parents. Alternatively, parents are welcome to make an appointment to speak to their child's teacher.

EYFS Meetings

This week, we held the parents meetings for the children who will be in Nursery and Reception from September 2021. If any parent missed the meeting and would like more information about school for September, we encourage them to call the office and we will provide them with more information. We are very excited to welcome our new families on transition day on Thursday 8th July 2021.

Trips and Workshops

We have lots of exciting things coming up in the next few weeks –

Year 1	Monday 12 th July 2021 – Cassiobury Park
Year 2	Tuesday 6 th July 2021 - Paradise Wildlife Park
Year 3/Year 4	Friday 9 th July 2021 – Cassiobury Park
Year 5	Thursday 24 th June 2021 – Rabbi visiting
Year 5	Thursday 6 th July 2021 – Visit to St Mary's Church

Tudor Workshop – Year 3 & Year 4

This week, Year 3 and Year 4 were excited to find a knight in chainmail armour greeting them for their Tudor Workshop. During the day, the children studied and held a range of medieval armour and artefacts. The knight shared some gruesome tales of life in Tudor times and each class re-enacted an historical story. The session ended with some Tudor dancing.

Bollywood Dancing Workshop – Year 1

Year 1 had a special visitor who introduced them Bollywood dancing. The workshop, lead by Vibes Dance Limited, gave the children the opportunity to dress up and learn some of the basic movements associated with Bollywood dancing. The children had a great time and were full of enthusiasm and energy after the workshop. This workshop is linked to Year 1's learning about India.

Covid-19 Testing - Lateral Flow Test and PCR Test

Parents are reminded that if their child shows symptoms of Coronavirus that they need to book a PCR Test, as set out in government guidance. Using a Lateral Flow Test to rule out Coronavirus is not sufficient because these tests work differently. The most accurate way to establish if someone has Coronavirus is through using a PCR Test. We kindly ask you always inform the school of the results please.

Coronavirus

We will keep our protocols and safeguarding the same as before half term and ask that parents continue to support us in staying safe.

Parents are reminded about Public Health England advice -

Pupils, staff and other adults must not come into the school if:

- they have one or more COVID-19 symptoms
- a member of their household (including someone in their support bubble or childcare bubble if they have one) has COVID-19 symptoms
- they are legally required to quarantine, having recently visited countries outside the Common Travel Area
- they have had a positive test
- have been in close contact with someone who tests positive for COVID-19

In these circumstances

They must immediately cease to attend school and not attend for at least 10 days from the day after:

- the start of their symptoms
- the test date if they did not have any symptoms but have had a positive PCR or Lateral Flow Test

We must follow this process to ensure everyone's safety on site.
