Dear Parents/Carers

Coronavirus Information

Thank you to all parents for wearing your masks when entering the premises this week. It is reassuring to know that parents are supporting us in keeping everyone safe.

I would also like to thank parents for their patience moving around the site and following the new routines. On the whole, things have been running fairly smoothly.

Pupils, staff and other adults must not come into school if:

- they have one or more coronavirus (COVID-19) symptoms
- a member of their household (including someone in their support bubble or childcare bubble, if they have one) has coronavirus (COVID-19) symptoms
- they are required to quarantine having recently visited countries outside the Common Travel Area
- they have had a positive test

They must immediately cease to attend school and not return for at least 10 days from the day after:

- the start of their symptoms
- the test date if they did not have any symptoms but have had a positive test (whether this was a Lateral Flow Device (LFD) or Polymerase Chain Reaction (PCR) test.

If anyone in school develops a new and continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia),

- they must go home to begin isolation - the isolation period includes the day the symptoms started and the next 10 full days
- follow the guidance for households with possible or confirmed coronavirus (COVID-19) infection
- arrange to have a test as soon as possible to see if they have coronavirus (COVID-19)

Routines and procedures

I have been impressed with the resilience the children have shown since the school fully opened two weeks ago. You will have noticed that teachers have started setting homework and daily reading for pupils again.

We are determined to close the gap created as a result of the two school closures.

During the past few weeks, and continuing into next week, we are again getting a baseline for pupils attainment through informal assessments. This will help guide our teaching for the summer term and ensure that -

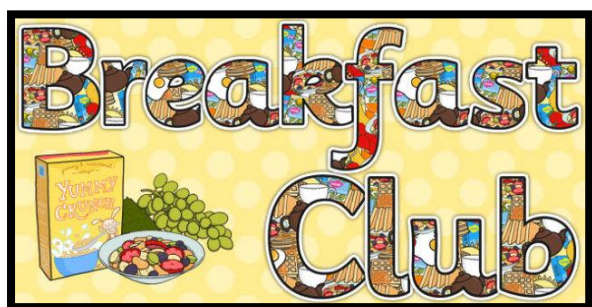

- We focus on areas of weakness identified
- Continue to deliver a broad balanced curriculum
- Speed up any progress where needed

Laptops/Chromebooks returned

Thank you to the parents who returned the laptops and Chromebooks that were lent to them during lockdown. If you still have one of the school's laptops or Chromebooks at home, please return it to the school office.

Breakfast and After School Club

We will continue with the Breakfast and After School club after the Easter Holiday. Any parents who wish to use the clubs are required to complete the registration form on the school website or pick up a pack from the school office. The Breakfast Club runs from 7:30 am each morning and the After School Club runs until 5:30 pm each afternoon.

Parent Governor

The Governing Body has a vacancy for a Parent Governor. The role of Governor gives members a look behind the scenes and the strategic working of the school. Parents who feel they are able to contribute to the wider working of the school are encouraged to write to admin@holywell.herts.sch.uk to express an interest. If we get more than one parent interested, then we will go to a vote. I am happy to have a discussion with any parent who would like more information about the role, before they put their name forward.

Winter Grant – Free School Meal Vouchers

Parents of pupils who are entitled to Free School Meals will receive their Easter holiday and May half term vouchers, via Edenred, shortly. They will receive a total of £45, this is £30 for Easter and £15 for the May half term. A separate letter was sent to all parents yesterday with further details.

Sports Clubs after Easter

We have agreed to some after school sports club provision to be delivered by Watford Football Club CSE Trust. Initially, this will be rolled out to two year groups. After the previous lockdown, the uptake of clubs was understandably very low and we need to ensure we get value for money.

A separate letter will be sent out to parents about the Tag Rugby club for Year 5 and the Football club for Year 6. All coaches from Watford CSE are DBS checked and will follow the latest COVID-19 guidelines issued by the government. Many parents will be aware community sport can resume from 29th March 2021.

Red Nose Day

Today we took part in Red Nose Day. Children were permitted to wear an item of red clothing for a donation via the JustGiving link below. If you have not yet donated and wish to do so please click on link below
