5th February 2021

Dear Parents/Carers

The Right Honourable Rishi Sunak MP – Chancellor of the Exchequer

On Friday 26th January 2021, Year 6 Birch were very fortunate to be joined in their maths lesson by Mr Rishi Sunak, the Chancellor of the Exchequer. Mr Sunak joined the lesson and completed some maths problems with the class. The children then had the opportunity to ask him challenging questions about himself and his role in government. This was a great opportunity for pupils to meet one of the most important people in the government, especially during the current challenges faced by all.

We are very thankful to Mr Sunak for his time and also to Mr Russell, the Member of Parliament for Watford, who very kindly made this possible.

Managing Bubble Sizes

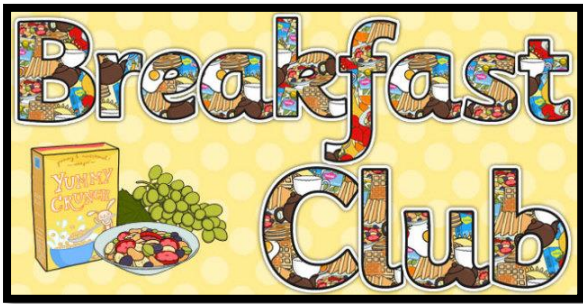

We have been contacted by a few parents who have requested that their children come back to school. As coronavirus cases in Holywell and the surrounding area are still very high, we do not feel we can make our bubble sizes much bigger. We know many parents have reasons to ask for their children to come back, but currently we will only consider cases where there is an absolute necessity. These reasons include – if parents are not able to continue to manage their children's learning, parents qualify as a critical worker or the child comes under the vulnerable child category.

We will continue to only take new pupils into school on a Monday. This is so we can manage and maintain social distancing and stop the mixing of pupils in school. We must keep staff and pupils, who are in school, safe. Please contact the school office if you qualify under any of the categories listed above. New applications will be considered on a case by case basis. We have to take a

tough stance at present as COVID-19 cases and deaths are still very high, particularly in the Watford, Holywell area.

Breakfast and After School Club

We have successfully completed our second week of Breakfast and After School club provision. If your child currently has a school place during restricted attendance then you can make use of our Breakfast and Afterschool club. Please contact the school office for more details. We will continue with the club up to at least Friday 5th March 2021.

Half Term

School will be closed for half term from Monday 15th February 2021 to Friday 19th February 2021 inclusive.

Mental Health Week

This week was Children's Mental Health Week. Linked to this, and to raise awareness, teachers set work for children on Google Classroom on Tuesday and Thursday afternoon. Hopefully children were able to complete the activities away from their screens, despite the weather conditions yesterday. Pupils were also able to join the enrichment class on Google Classroom which gave a whole host of activities they can do with regards to promoting good mental health.

Feeling Good Week

Next week is Feeling Good Week. We normally organise a whole range of activities with the PTA for pupils to do in school. In the past, the children have been visited by inspirational speakers. We are just finalising some activities for next week that teachers will set children and these will be posted on the class timetables on Google Classroom.

Safer Internet Day

Tuesday 9th February 2021 is Safer Internet Day. The theme for Safer Internet day is An internet we trust: exploring reliability in the online world. This year in the UK, Safer Internet Day explores reliability online. The internet has an amazing range of information and opportunities online, but how do we separate fact from fiction? Safer Internet Day will be celebrated globally with the slogan: Together for a better internet. Children will be completing some activities linked to Safer Internet day on Tuesday at home and at school. We also include a useful guide to parents on Internet safety here

<http://www.holywell.herts.sch.uk/download/parenting-in-a-digital-world-2/>

I would like to remind parents that children should not come into school if they are required to stay at home because they:

- are ill with virus symptoms
- have tested positive, even if asymptomatic
- have been advised by NHS Test and Trace to do so
- are household members of a positive case, even if that case is asymptomatic
- are required to self-isolate for travel-related reasons

I must stress to parents that taking these steps is absolutely not negotiable. By not following this advice parents are putting the whole school community at risk. We are working extremely hard to deliver learning, support families on many levels whilst keeping ourselves and our pupils safe within school.

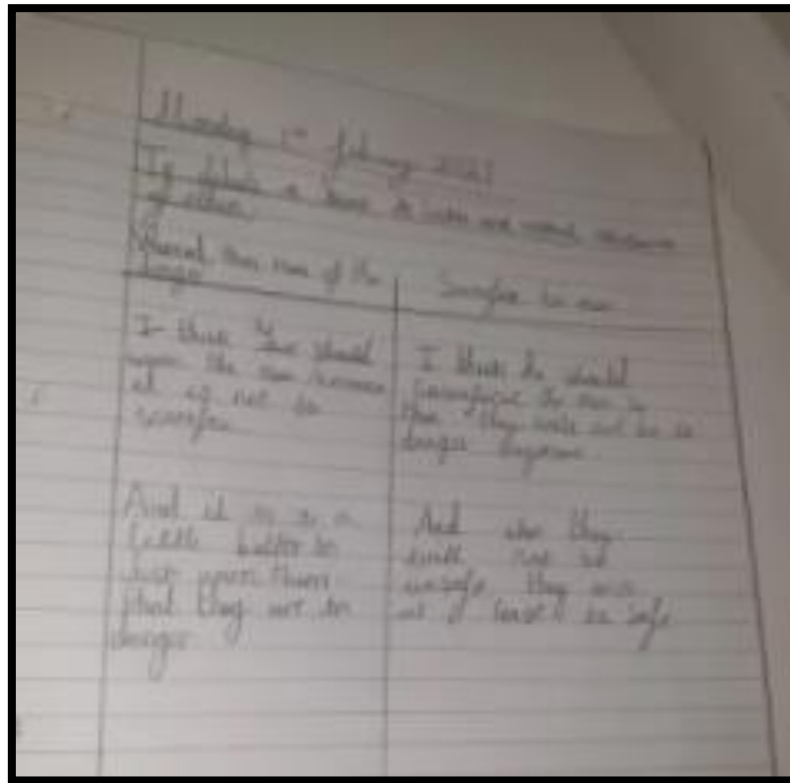

The current guidance and restrictions are a lawful requirement and each and every one also has a moral obligation to adhere to these restrictions without exception.
