Dear Parents/Carers

Coronavirus Information

Thank you to all parents for wearing your masks when entering the premises this week. It is reassuring to know that parents are supporting us in keeping everyone safe.

I would also like to thank parents for their patience moving around the site and following the new routines. On the whole, things have been running fairly smoothly.

Pupils, staff and other adults must not come into school if:

- they have one or more coronavirus (COVID-19) symptoms
- a member of their household (including someone in their support bubble or childcare bubble, if they have one) has coronavirus (COVID-19) symptoms
- they are required to quarantine having recently visited countries outside the Common Travel Area
- they have had a positive test

They must immediately cease to attend school and not return for at least 10 days from the day after:

- the start of their symptoms
- the test date if they did not have any symptoms but have had a positive test (whether this was a Lateral Flow Device (LFD) or Polymerase Chain Reaction (PCR) test.

If anyone in school develops a new and continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia),

- they must go home to begin isolation - the isolation period includes the day the symptoms started and the next 10 full days
- follow the guidance for households with possible or confirmed coronavirus (COVID-19) infection
- arrange to have a test as soon as possible to see if they have coronavirus (COVID-19)

Welcome Back

It has been an absolute delight to welcome all our pupils back into school this week. The excitement from pupils has been evident and they have slotted back into the school routine as if they were never away.

Attendance this week was 94% for the whole school. We would like to remind parents that attendance at school is compulsory.

Return of Laptops and Chromebooks

Last week we asked all parents who had borrowed a Laptop or Chromebook to return it to school. Thank you to all parents who have done as requested. We are still waiting for some to be returned and we look forward to receiving them in the coming days.

Breakfast and After School Club

We will continue with the club up to the end of the term. Any parents who would like to use the club should contact the school office. The Breakfast Club runs from 7:30 am each morning and the After School Club runs until 5:30 pm in the evening.

School Dinners

We would like to remind parents our kitchen has now, once again, resumed the full menu. A choice of 3 main meals plus jacket potato is available every day. A copy of the menu was sent out last week with the newsletter and is available on the school website.

Children in Reception, Year 1 and Year 2 are entitled to a free school meal under the Universal Free School meal scheme.

Do you qualify for Free School Meals?

If you are not registered for Free School Meals and believe you might be entitled, please check via the Hertfordshire County Council website on the link below

www.hertfordshire.gov.uk/freeschoolmeals

Red Nose Day

We will be taking part in Red Nose Day on Friday 19th March 2021. Children are permitted to wear an item of red clothing for a donation via the JustGiving link below

Please follow the link above to make a booking. Click on 'bookings' and then look for holiday courses within the event search.

Our holiday courses are aimed at both boys & girls aged 6-12 who are enthusiastic about football and want to learn & improve. Our coaches will provide a fun, safe and learning environment throughout the week. Our coaches will work with the players on various different skills such as 1v1s, dribbling, passing, and finishing alongside small sided games.

Our holiday courses will take place on the AstroTurf pitch at the Meriden Community Centre. Please note, Players must wear shinpads and moulded football boots or AstroTurf trainers. Please bring a water bottle, water proof clothing and a packed lunch.

All our football courses have Covid-19 protocols in place which the coaches, players & parents must follow in order to create the safest environment for all.
