Dear Parents/Carers,

On Friday 16th June we are taking both morning and afternoon children on a trip to Langleybury Children’s Farm, Kings Langley. This is to support their learning about farmers, farm animals and growing food.

Children need to be in school at the usual morning arrival time of 9.00 am, with the coach leaving promptly at 9.30am. We will be having a picnic lunch at the farm, so please pack something suitable for your child’s lunch, remembering that we are a healthy school, so no sweets or fizzy drinks! As always, we are hoping for good weather, not too hot or wet, but please look at the weather on the day of the trip and dress your child suitably for the weather. We can provide water-proof jackets if it is raining hard, but we do not have enough wellies or sunhats. We are also unable to apply sunscreen.

All children will need to be collected at 1.00pm on our return, unless they are children who attend for a full day on Fridays, in which case they will be picked up at the usual time of 3.30. We will be travelling by coach. Therefore, if you know your child to suffer from travel sickness, please be sure to give them their medication before they leave your care.

We have been fortunate that this will be a totally free trip, being funded by Langleybury Farm and The Grove Hotel as a charitable concern. These two businesses are part of the Active Learn/ Healthy Schools Initiative, which offers the chance for free school visits for local Hertfordshire schools.

We again need to ask parents if they would like to come and help out on the day. Holywell School policy is that for every 2 nursery children there must be 1 adult helper, but we are not able to ask parents to help who need to bring little ones with them, as this causes problems with the school insurers. We will need approx. 20 willing adults for this trip to go ahead.

We are, as always, available at the end of both sessions if parents have any questions or concerns.

Kind Regards

The Nursery Team
