

PE and Sport Grant – 2018/2019

Holywell Primary School was allocated £16,043 by the DfE as our PE and Sport Grant allocation for the 2018/2019 academic year.

We are required to report to Parents/Carers how we have spent (or intend to spend) this money, and what impact we have seen on the children's PE and attainment as a result so that we are helping to ensure that all pupils develop healthy lifestyles.

| 2018 – 2019 | |
|---------------------------------------------------------------------------|---------------|
| Sports partnership | £1648 |
| Transport to increase participation in competitions | £2000 |
| Delivery of Swimming for all pupils in Key Stage 2 | £4000 |

| Breakfast club | £1500 |
| Clubs for girls – resources | £500 |
| Club subsidy – Breakfast club | £2200 |
| TOTAL | £18091 |
| | |

At Holywell Primary School much of our PE and sport development has been provided by Premier Sports. As a result we now:

- hire qualified sports coaches to work with the children and staff from the Early Years to Year 6,
- have increased the number of morning, lunchtime and after school clubs offered to children,
- have increased the range of activities available to the children. New activities include archery, gymnastics, fencing, as well as the more traditional sports clubs such as football
- have purchased additional resources that support effective teaching and learning
- run regular Inter-House sports competitions allowing the children the opportunity to take part in competitive sports
- take part in regular inter school competitions organised by our Local School Sport partnership

As well as our focus on PE and Sport we have also looked at improving healthy lifestyles at school through our Holywell Explorers programme. In addition to that we hope to build on Enhanced Healthy school status by introducing a healthy breakfast club for pupils for pupils in year 3 and 4. This will strengthen the schools an application for a Silver Sports game award status. To continue to widen the range of clubs to draw more girls in to take part in clubs before, during and after school. Finally, the school hope to develop links with local partnerships and providers like clubs. We will also again provide pupils with the opportunity to take part in Bikeability, skateability and sailing.
