Policy for Children Looked After

1. Background

1.1 There has been concern since the mid-Seventies that the education of children in care has been neglected. Conversely, from about the same time, attention was also being drawn to the important part that successful schooling could play in helping children escape from social disadvantage. In 1995, a joint report by the Social Services Inspectorate and Ofsted stated that the care and education systems were failing to promote the educational achievement of children in care and drew attention to:

- Poor exam success rates in comparison with the general population
- A high level of disruption and change in school placements
- Lack of involvement in extracurricular activities
- Inconsistent or no attention paid to homework
- Underachievement in further and higher education

1.2 It is, therefore, essential that schools promote the achievement of such vulnerable children, who may also face additional barriers because of their race, ethnicity, religion and beliefs, sexual orientation or because they are disabled. All schools should have a policy for Children Looked After that is subject to review and approval by the Governing Body. The policy should set out not only the ethos of the school in its approach to meeting the needs of children looked after by a local authority, but also the procedures that will ensure participation in high quality teaching and learning and in making good or accelerated progress.

1.3 The Children Act (1989) introduced changes in terminology. The term 'in care' now refers solely to children who are subject to Care Orders. Children who are cared for on a voluntary basis are 'accommodated' by the local authority. Both these groups are said to be 'looked after children' (LAC) or children in care or 'children looked after' (CLA) by the local authority, the term used by Hertfordshire. Accommodated children also include those in receipt of respite care – if it exceeds 20 days in one episode or over 120 days a year.

1.4 It is important not to confuse a young person's legal status with their living arrangements. For example, a child on a Care Order can be living with:

- Foster carers
- In a children's home
- In a residential school
- With relatives, or
- Even with parents – under supervision of Children's Services

Similarly, an 'accommodated' child can be living:

- In foster care
- In a children's home, or
- In a residential school

- 1.5 This policy incorporates requirements set out in the statutory guidance on the duty on local authorities to promote the educational achievement of looked after children CSF4093 under section 52 of the Children Act 2004, the Role and Responsibilities of the Designated Teacher – Statutory Guidance for School Governors (2009) and the Hertfordshire Policy Statement on Children Looked After and should be read in conjunction with it. All schools have been issued with a copy of each document and may also refer to the Virtual School page on the Hertfordshire GRID for Learning, www.thegrid.org.uk/virtualschool.
- 1.6 The Children and Families Act 2014 amends section 22 of the Children Act 1989 to require every local authority in England to appoint an officer employed by the authority, or another authority, to make sure that its duty to promote the educational achievement of its looked after children is properly discharged. This officer is referred to as the Virtual School Head (VSH). In Hertfordshire, Felicity Evans is the Virtual School Head.

2. Policy Objective:

- 2.1 To promote the educational achievement and welfare of Children Looked After (CLA) and Children Previously Looked After (PLA) on the roll of this school

- 2.2 At **Holywell Primary School** we will ensure that children looked after (CLA) and children previously looked after (PLA) have access to excellent educational provision and are prioritised for additional support through school-based interventions to achieve as well as possible, in accordance with the *'DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018.*
- 2.3 We recognise that our school plays a vital role in providing a stable base for CLA and in promoting their academic, social and emotional development. We promote whole school staff training in their specific needs, so that all adults at this school are sensitive to the barriers to learning that CLA experience and feel able to support the children discretely and confidentially, as needs arise. We understand the need to work in a 'relationship-based' way so that children looked after and previously looked after feel valued and a part of our school community.
- 2.4 Our aim is to champion the needs of CLA to ensure they make rapid educational and social progress during their period in care on the roll of this school.

3. Our Aims for CLA:

- to provide a safe and secure environment where educational progress and stability is always central to the planning and all adults understand the specific needs of CLA and PLA
- to narrow the gap between the attainment of CLA and PLA and their peers, ensuring **accelerated** and **rapid** progress
- that they benefit from school-based interventions, even if they do not meet the criteria for that intervention (*DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018*) and to use the allocated Pupil Premium Plus (PP+) to ensure effective impact
- for all CLA to have at least termly Personal Education Planning (ePEP) meetings each academic year and for the joint planning and quality first teaching to have measurable impact on each child's learning on a daily basis, (*DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018*)
- for all adults to provide sensitive, child-led support, adopting a relationship based approach and with at least one key adult with whom the child or young person has a trusted relationship and who will act as an advocate for them and take a special interest in their progress in all school activities.
- that school systems facilitate discrete support, that includes a strong relationship between schools staff, carers and children looked after on roll.
- CLA will be advantaged within school policies and procedures, with their needs explicitly considered and provided for (*DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018.*)
- Our Behaviour Policy maintains clear boundaries and expectations about behaviour but we understand that not all behaviour is a matter of choice. We will not enforce sanctions that shame and ostracise children looked after from their peers, school, community or family. In this school we seek to create an inclusive and positive school ethos for every pupil.
- CLA and PLA and their families will feel part of the school community; they will be actively welcomed, involved and engaged into this school community (*DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018*).

4. Educational Planning for Children Looked After

4.1 Personal Education Plans (ePEP) and CLA Self Evaluation Forms (CLASEF)

The school will ensure that every CLA on roll has a Personal Education Planning (ePEP) meeting that is reviewed termly, within the statutory care planning framework, and in collaboration with the social worker, carer and other relevant professionals. In any one school year there will be at least 3 PEP meetings for each CLA, The school will complete the all sections of the CLASEF to share our plan for improvement and development in school for disadvantaged children and also to inform the Hertfordshire Virtual School of the school's policy and practice, to account for the efficient and effective spend of the PP+ funding and to inform the school Governing Body as the annual report.

4.2 Roles and Responsibilities

4.2.1 **The Headteacher and Governing Body** are committed to promoting improved educational life chances for CLA and PLA. They will ensure that the Designated Teacher for Children Looked After has qualified teacher status, appropriate seniority in the leadership team and time and experience to fulfil this statutory role and have at least 2 days per year training to remain fully informed.. They will monitor the role of the Designated Teacher to ensure that all CLA and PLA make accelerated and rapid progress and that the whole school staff receive appropriate training.

4.2.2 **The Designated Teacher for Children Looked After and Children Previously Looked After in Year 5** is Sarah Alexander. She is a qualified teacher, and will promote improved educational life chances for CLA and PLA by:

- ensuring that the CLA or PLA has access to quality first teaching
- tracking the progress of CLA and PLA across the curriculum using data, teacher reports and book looks
- ensuring that the PP+ is used effectively and efficiently
- performing a coordinating role with school staff and outside agencies
- ensuring effective communication with the school's assigned Education Adviser from the Virtual School

- regularly reporting to the Head and Governing Body on the attainment of CLA and PLA and school resource and staff training needs for working with this group
- prioritising CLA for school-based additional support, even when the young person does not meet the criteria (*DfE Designated teacher for looked-after and*

previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018).

- ensuring that CLA and PLA are not overlooked for positions of student responsibility within the school because of their care status
- completing the annual Strength and Difficulties Questionnaire (SDQ) of each CLA as requested, to inform their annual CLA health review.

4.2.3 **All staff** will promote improved educational life chances for CLA and PLA by:

- reading this 'school policy' for CLA
- attending relevant training, including the Virtual School toolkit training on 'Attachment Aware and Trauma Informed practice' (to be found on the Virtual School website: www.hertfordshire.gov.uk/virtualschool)
- providing accurate information and data when asked by the Designated Teacher
- referring to the Designated Teacher for advice
- playing their part in creating an attachment and trauma-informed 'CLA-friendly' culture and securing rapid progress for CLA by ensuring that they benefit from any additional school-based support available

4.3 Attendance

School attendance procedures reflect the specific needs of CLA and PLA to ensure good school attendance. Where there is a concern about attendance or punctuality the school will contact the carer, social worker and other professionals including the Virtual School, as an early intervention, as outlined in our attendance policy.

4.4 Admissions/ Transitions

School procedures to support CLA during admission and transition include:

- prioritising CLA and PLA at the point of admission
- the swift transfer of information between schools that may include school visits and at times of transition, teaching at the previous school
- early identification of staff mentor and peer buddy
- additional support and planning for CLA and PLA at times of transition
- structured activities to 'say goodbye', in recognition of the impact of broken attachments and loss

4.5 Additional Educational Needs

All staff will work creatively to secure accelerated and rapid progress for CLA and PLA with additional educational needs by:

- having high expectations

- ensuring that they are prioritised for additional school-based support, even if they do not meet the criteria (*in line with the DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018*).
- ensuring that planning is coordinated, appropriate interventions identified and teaching to the plan is systematic; ensuring that any work undertaken by non-teaching staff has teacher over-sight (*in line with the Lamb Report, Dec '09*)
- ensuring that progress is regularly monitored and reviewed, against the targets set as agreed in the termly Virtual School visit, ePEP and CLASEF

4.6 Special Educational Needs

All staff will work creatively to secure accelerated and rapid progress for CLA who have special educational needs by:

- having high expectation of progress each academic year (*in line with the expectation set out in the ePEP and CLA-SEF*)
- ensuring that they are accessing school-based targeted support which is 'additional to and different from' the universal and additional needs provision (*in line with the SEN Code of Practice*)
- ensuring that all plans are coordinated, appropriate interventions identified, and teaching to the plan is systematic
- ensuring that progress is regularly monitored and reviewed, in line with the SEN Code of Practice
- ensuring that any work undertaken by non-teaching staff has teacher over-sight
- that with the school SENCO the EHCP review is held in a timely way with all relevant professionals invited and their views obtained.

4.7 Safeguarding

School staff will be vigilant for any safeguarding issues which can impact particularly on CLA by: familiarising themselves with the 'School Policy Guidance for Children in Care' and following the school's child protection policy and the 'DfE: Keeping Children Safe in Education' (All staff) June 2019, if there are any safeguarding concerns.

4.8 Alternative Provision

We will make every effort to ensure that any arrangements for provision alternative to daily attendance at school will be:

- a plan that will retain the CLA on the roll of the school or clarify in writing which educational establishment will be responsible for essential reporting and accountable for the PP+
- an agreed part of the overall ePEP for the student

- full time (25 hours) or contribute to full time attendance and be of high quality
- meet the educational needs of the CLA or PLA
- will provide the opportunity to make rapid progress in the course of study provided by the setting
- will be monitored regularly and that ePEPs will include the school and the alternative provider

4.9 Exclusion

4.9.1 We have reviewed the school Behaviour Management Policy (September 2019) in line with the statutory guidance published in February 2018 (DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018).

4.9.2 We will make every effort to avoid excluding a CLA, in recognition of the increased risk this poses in terms of them quickly disengaging from the school, due to their early experience of broken attachments and loss. Before acting, we will discuss the rationale for exclusion with the assigned Education Adviser from the Virtual School.

4.9.3 If there is no option other than exclusion, then we will make every attempt to reduce the number of days of the exclusion.

4.9.4 To avoid excluding a children looked after or previously looked after we will follow the school's Behaviour Management Policy including using STEPs guidance and procedures.

4.9.5 School procedures are in place to reduce the risk of exclusion of CLA and PLA. CLA and PLA with special educational needs should have exclusion as a behaviour management action as a last possible resort (Regulation 4(1)(c) of the Equalities Act 2010 which means that a head teacher could only lawfully exclude a child for a reason relating to their disability, even a disability that results in the child having a tendency to physical abuse, if reasonable adjustments have been made).

4.10 Multi-Agency Working

School staff will make every effort to develop positive professional relationships with colleagues from other agencies and facilitate their work. This will enable colleagues to successfully perform their roles and positively impact on the education and wider needs of CLA and PLA.

5. **Monitoring and review**

5.1 The Headteacher, Designated Teacher and Governing Body will ensure that all staff are briefed on the Statutory Guidance and practice outlined in this policy.

5.2 This policy will be reviewed annually or earlier if necessary.
