*we are a learning community with the spirit to succeed*

5<sup>th</sup> October 2021

Dear Parents/Carers

## POP – IT

It has come to my attention that some unnecessary equipment is being brought to school by pupils. The school provides all pupils with the equipment they need for their learning. Each child has an easily accessible learning kit, containing this equipment.

Sometimes the school's Leader of Inclusion will advise that certain pupils require additional equipment or resources to address a specific learning need. We advise parents not to send their child into school with Pop-Its, or similar equipment, that might distract from their learning, or the learning of their classmates. If you feel your child needs additional equipment to aid their learning or development, please contact their class teacher or Mrs Keshiro, Leader of Inclusion.

From Wednesday 6<sup>th</sup> October 2021 we will not allow pupils to bring Pop-its into school on their own accord. If they are brought into school, they will be confiscated and returned to parents at the end of the school day.

Parents are reminded mobile phones are not allowed in school. Therefore we cannot allow smart watches that are able to make phone calls in school either. These items will also be confiscated and returned to parents at the end of the school day. They cause a safeguarding breach.

Yours faithfully

Mr C van Straaten  
Headteacher
