

## Remembrance Day linking UNCRC Article 38.

Holywell children have produced some creative artwork based on UNCRC Article 38 (War and armed conflicts) that links to Remembrance Day. It's important to remember and acknowledge and thank those who have fought to keep children safe. Children have a right to life. During wars, some people lose their own lives to protect the lives of children and it is important to remember their sacrifice

### Article 38 – War and Armed Conflicts

- Governments must **not allow** children under the age of 15 to take part in war or join the armed forces.

- Governments must do everything they can to **protect and care** for children affected by war and armed conflicts.

Following is a gallery of work from different Year groups. They are voicing out their views for children, to live their lives peacefully and not be part of any bloody war!!
