we are a learning community with the spirit to succeed

5 May 2022

Dear Parents/Carers

This term, the children in Year 5 are learning about 'Forces' as their Science topic.

To help the children gain an in-depth understanding on how gravity works we have organised a Science workshop for Thursday 26 May 2022. Both Year 5 classes will have an opportunity to engage in a range of practical activities. They will be able to work through a variety of activities that magicians use in circus shows such as juggling on the moon and learning how to keep equilibrium on a tightrope.

For this workshop to go ahead, we are asking for a contribution of £5.00 towards the cost of the visit. If insufficient funds are provided by parents/carers it will be impossible for the school to meet the cost and the visit will be cancelled.

Can payments please be made using the School Money On-line Payments System by Monday 20 May 2022. If you have any queries or problems accessing this system, please talk to the School Office and they will be able to provide you with a parent password.

Yours faithfully

Miss Hampton
Class teacher
