**We are a learning community with the spirit to succeed**

## Year 3 – Easter Holiday homework – April 2020

**Reading:** Please read at least 5 times each week and ***make sure that you ask an adult to sign your reading record.***

### Times Tables - all

Try to write at least five different times tables into your books. Make sure you show the inverse (division) in your homework book. These will **all** be tested when you return.

### Homework

For Geography in the Summer Term we will be learning about Greenland. Your challenge is to do some research about the country. What information can you find out about it? What does the flag look like? Where in the world is Greenland? What continent is it on? What facts can you find out? This can be presented any way you like; either as a poster, leaflet, some writing in your green book or you could complete your Fact file/poster etc on Purple Mash and 'Hand it in'.

\*Once you have found your facts write your information into sentences. To finish off add in some drawings and printed photos etc to make your fact file more informative.

\*\*Once you have found your facts write your information into paragraphs. To finish off add in some drawings and printed photos etc to make your fact file more informative.

\*\*\* Once you have found your facts write your information into paragraphs with subheadings. To finish off add in some drawings and printed photos etc to make your fact file more informative.

Complete your spellings, which are listed below. You will need to choose at least 10 spellings and write them in a sentence (be creative and think of the skills we use in English). You will be tested on your spelling sets on Friday.

### Spelling: The spelling focus for this week – (Y3/Y4 words : (a-e /ay )

Set A	Set B	Set C	Please write your 5 spellings from your book here.
Snake	Grade	Shave	
Shake	Flame	Plate
