**We are a learning community with the spirit to succeed**

## Reading

Read at least 5 times each week and make sure that you ask an adult to sign your reading record. Reading also includes Bug Club and Purple mash (serial mash) reading.

## Times Tables

Write the times tables – 3x, 4x, 6x, 7x, 8x, 9x, 12x into your books. Make sure you show the inverse (division) in your homework book. These will **all** be tested when you return.

For example,

$4 \times 3 = 12$  and also write  $12 \div 4 = 3$  ;

$6 \times 12 = 72$  and also write  $72 \div 6 = 12$

**Challenge** yourself by practising in TT Rock Stars and beat your own time record (or your friends')

Checkout for some fun multiplication challenges set in Purplemash too.

## Science

Over the half term, we would like you to revise about the parts of a flower (you learnt about this in Year 3) and find out more about the process of pollination. We will be studying more about this in Summer Term. We would like you to be creative with your presentations (power point presentations, models of a plant using various materials such as paper, fabrics etc).

## Spellings

Complete your spellings, which are listed below. You will need to choose at least 10 spellings and write them three times each in your book. Then write each of them in a sentence (Use complex sentences including conjunctions like although, despite, even though etc). You will be tested on your spelling sets when you come back.
