Year 6 – Easter Holiday homework – April 2020

Reading: Please read every day and ***make sure that you ask an adult to sign your reading record.*** Bug Club and Purple Mash books do count!

Times Tables – Practise your times tables on Times Table Rock Stars. Try and beat your time!

Purple Mash– Use Purple Mash to find a range of different activities across all the subjects. There are maths, SPaG, history, reading activities etc. you can complete. Write on your class blog and tell us what you have been up to – how are you finding all of this? What feedback would you give to the government about how they're doing? What advice could you give to your classmates if they were finding this tricky?

Bug Club – Use Bug Club to find more books you can read and activities you can complete.

Homework

Next term in geography, we will be looking at the country Chile. You need to research and find out facts about Chile – capital city, population, animals, continent, climate etc. We would like you to be creative with how you present it (powerpoint presentations, posters, Purple Mash, leaflet etc.).

Spelling: The spelling focus for the two weeks –

Week 1: Y5/6 words with silent letters
