Dear Parents/Carers,

We are delighted to inform you that we have organised for all of the Year Six children to attend a sailing session as part of their Physical Education lesson next term. The Bury Lake Young Mariners at the Rickmansworth Aquadrome will teach the sailing experience to the children, with class teachers assisting with behaviour and encouragement. Each class will be receiving a two-hour session, which includes a safety briefing and explanation on how to use the boats and then time in the water to experience the boats!

The children will be having an earlier and shorter lunch break on the day of their session so will therefore be leaving school promptly at 12.30 so that they are ready to start their session at 12.45. The session will be ending at approximately 2.45 with the hope that children will be ready by the end of the school day. However due to the children having to change their clothes, then travel back to school and collect their belongings we anticipate that they may be slightly late back to school so please be prepared to wait a few minutes on the day.

All children will need to bring a spare set of clothes, which they will change into, for the session, as well as a towel. Bury Lake have advised all children to bring old, warm, comfortable clothes that they do not mind getting wet or muddy. Both girls and boys must have full-length trousers, which are not jeans. All children should also bring old trainers or plimsolls. They have also advised bringing a waterproof jacket and over trousers if you have them. At the end of the session the children will then change back into their school uniform, so please ensure they have a carry bag for their wet, muddy clothes.

The cost of the trip is £11.00 per child. Could the payment please be made using the School Money On-line Payments System by Friday 8<sup>th</sup> June. If you have any queries, please talk to the School Office and they will be able to provide you with a parent password.

Class Name	Day of activity
