*we are a learning community with the spirit to succeed*

Monday 14<sup>th</sup> December 2020

Dear Parents/Carers,

## Bike ability Level One Monday 8<sup>th</sup> February – Friday 12<sup>th</sup> February 2021

Following on from previous years we hope to be able to provide children in Year Four with the opportunity to develop their cycling skills. The scheme will be taught by a company called 'Bikeability'; the children will have training over two consecutive days. The course will enable the children to learn key skills such as how to control the bike, how to ride safely and how to carry out bike checks. These activities will be carried out on the school playground by qualified instructors. On completion of the course the children will receive a level one certificate and badge.

In order for your child to take part on the course they must have **their own helmet and fully functioning road worthy bike**. The bike also must not have stabilisers or be the size of a toddler's bike.

The school have subsidised the cost of the course and therefore require a payment of £8.50 to enable your child to take part. The full payment of this course must be made by using our School Money Online Payment system by Friday 8<sup>th</sup> January 2021. There are **16 spaces** available for this course so it will work on a first come first served basis.

A further letter closer to the time will be sent out specifying the days that your child will need their bike during the week of the 8<sup>th</sup> February 2021.

Thank you for your support.

Yours faithfully

Miss Whiting  
PE Leader
