we are a learning community with the spirit to succeed

Monday 2nd December 2019

Dear Parents/Carers

Bike ability Level Three Monday 20th January 2020 – Friday 24th January 2020

Last year your child passed their Level Two Bike Ability award, so we would like to offer them the opportunity to pass their Level Three award. The course will consist of several sessions throughout the week. The children will be taken out in small groups with a qualified instructor to experience the local roads and traffic features. The children will also develop their understanding of traffic situations and hazard perceptions. On completion of the course the children will receive a Level Three certificate and badge.

In order for your child to take part on the course they must have **their own helmet and fully functioning road worthy bike**. The bike also must not have stabilisers or be the size of a toddler's bike.

The school have subsidised the cost of the course and therefore require a payment of £7.50 to enable your child to take part. The full payment of this course must be made by using our School Money Online Payment system by Monday 16th December 2019.

A further letter closer to the time will be sent out specifying the days that your child will need their bike during the week of the 20th January 2020.

Thank you for your support.

Yours faithfully

A. Hampton
