we are a learning community with the spirit to succeed

10th March 2020

Dear Parents/Carers

I am writing to inform you that a few parents, who have been inside our school, have reported to us that they have been in close contact with someone who has tested positive for coronavirus.

The individuals are self-isolating following national advice and we believe therefore that the risk is no longer present in the school.

The Public Health England tracing team are aware and will pro-actively contact you if you need to do anything different. I can confirm if you need to self-isolate your child will be marked as absent with permission. I will require a written confirmation if this is the case.

Please continue with all the NHS best practice guidance regarding hand hygiene and look on www.gov.uk/coronavirus for the most up to date information.

As a school we will continue to ask children to wash their hands regularly.

Our cleaners are concentrating on cleaning all door handles, (especially toilet doors) work surfaces, stairwell rails and all touch points.

Yours faithfully

Mr C van Straaten
Headteacher
