14th October 2019

Dear Parents & Carers

Holywell Sponsored Maths Times Table Quiz 2019

Our amazing School Councillors have decided they would like to have a sponsored Maths Quiz. This year will be our first Sponsored Maths Quiz where children will put their maths skills to the test. ***Our fundraising efforts will go towards purchasing 'Quiet Zone' signs/ground markings and a climbing frame that KS1 and KS2 can play on at Holywell. In order to deliver this effectively to the children we need to replace the existing climbing equipment and establish a new place for the new climbing frame.***

What is the Sponsored Maths Quiz?

It is a numeracy test that takes place in class. Children can be sponsored by family and friends for each times table that they get correct or for a fixed amount just for taking part. ***Your child will be very excited to know that the class raising the most money will be given a non-uniform day on Friday 20th December.***

How it works:

With this letter, you should find enclosed a copy of the times tables and a sponsorship form. The times tables each year group is expected to learn have been suggested by the class teacher to ensure they are appropriate for the whole class. **For Foundation Stage children** the teacher will work with them in class on the formation of their numbers from 1-10 and there are no specific numeracy questions attached.

Maths Quiz and Sponsorship:

Children will have from October until Friday 6th December (the day of the sponsored quiz) to work through the times tables chosen by the class teacher and to ask family and friends for sponsorship. In the quiz, the teacher will say different times tables randomly and the children will be given **six seconds** to write down the answer for each one. Teachers will decide how many times table questions will be given. It will be marked and sent home with your child. Sponsorship money can then be collected and returned to the school via your class teacher. All sponsorship money must be returned by Friday 13th December 2019 please.

Thanks

The success of this fundraising event relies on a team effort between our children, parents and teaching staff. Whilst recognising that all participation is entirely voluntary, we would like to thank in advance everyone who helps in any way with this collaborative event. Every pound raised will help.

Thank you in anticipation for your continued support.

The School Council Team
