Dear Parents/Carers

Walk and Talk Day – Wednesday 12th February 2020

Given our busy, hectic lives it's easy to feel like you're on a treadmill and have no time for a proper conversation.

Walk and Talk Day is about setting time aside to have a quality conversation with your child or children on the way to and from school. We are holding this event as part of our Feeling Good Week.

Our Year 4 Reporters are keen to practise their journalistic skills and will be conducting mini 'interviews' on the playground before and after school. They would love to hear how the special walk and talk made you feel and what you talked about, if you would like to share it.

Perhaps you could make an extra five minutes for your journey and create some stress-free space in your day.

You may also like to try out our extended walk to school route through the beautiful King George V playing field (see map below).

We look forward to seeing you on the day relaxed and happily chatting.

Kind regards

The Feeling Good Team
