Headteacher: Mr Coert van Straaten MA. Ed, Dip Edu, NPQH

we are a learning community with the spirit to succeed

Monday 18th November 2019

On Monday 9th December, Year 2 will have an exciting day ahead where every child will become an astronaut. They will be experiencing a hands-on practical workshop all about astronauts and space. The children will be taking part in a virtual reality experience which will transport them to places you cannot easily visit. The whole class will blast off into space, piloting their research vessels around planets and moons, learning about the solar system. The company will provide a fully-networked class set of headsets for the children to wear.

For this visit to go ahead we are asking for parents/carers to pay £8.31 towards the cost of the visit; if insufficient funds are provided by parents/carers it will be impossible for the school to meet the costs and the visit will have to be cancelled.

Could payment please be made by using the School Money On-line Payments System by Friday 6th December 2019. If you have any queries or problems accessing this system, please talk to the School Office and they will be able to provide you with a parent password.

Yours faithfully
